Dear Sir/Madam,

On behalf of the Hellenic Hockey Federation (HHF), we would like to nominate Mr. **Christos Sideridis**, a member of our Board of Directors and the Head of Development Strategy and National Teams Coordinator, as a candidate for the Executive Board of EuroHockey.

Our proposal is based on Mr. Sideridis' long-standing and valuable contribution to our Federation. He has played a leading role in the team that successfully introduced hockey demonstration programs in Greek public schools — an initiative that has already exposed the majority of our student population to the sport.

This impactful work by Mr. Sideridis and his team gives us strong confidence in the continued growth and widespread development of hockey in Greece in the years to come.

Kind regards,

For the Board of Directors of the Hellenic Hockey Federation

**Stavroula Zygouri – OLY**

**Anastasios Gousis**

**President**

**Secretary General**
