

2025/06/07

Dear Member National Associations,

On behalf of the Lithuanian Hockey Federation Executive Board, it is with great confidence and full support that we recommend Mr. Tomas Kriščiūnas as a candidate for the position of Ordinary Member of the EuroHockey Executive Board.

Tomas was elected as President of the Lithuanian Hockey Federation in January 2025, bringing new energy, leadership, and a clear strategic vision to the organisation. Though still in the early stages of his presidency, he has already demonstrated a strong commitment to transparency, collaboration, and the growth of hockey across all levels.

His contributions to Lithuanian hockey, however, began long before his current role. In 2017, Tomas was elected to the Lithuanian Hockey Federation Board and served for four years as the Chair of the Marketing Committee. During this time, he played a key role in modernising the Federation's communications strategy, building sponsor relationships, and raising the profile of hockey nationally.

At the European level, Tomas contributed as a member of the EuroHockey Communications and Marketing Panel in 2018 and 2019, where he worked alongside colleagues from across Europe to support the promotion and visibility of hockey through coordinated campaigns and innovative outreach initiatives.

Tomas brings over three decades of international leadership experience in business and sport, with a proven track record in management, business development, and strategic planning. His professional background spans multiple countries and sectors, giving him a valuable international perspective that aligns well with the needs of the EuroHockey Executive Board.

Tomas is team-oriented, reliable, and deeply committed to the values of European hockey. We believe he will be a constructive, collaborative, and forward-thinking member of the EuroHockey Executive Board.

We strongly endorse his candidacy and encourage the EuroHockey community to support Mr. Tomas Kriščiūnas in this election.

Yours sincerely,
Luka Zdanytė
Administration Manager
Lithuanian Hockey Federation
